Flu Hunter: Unlocking the secrets of a virus: Webster ...

He has published over 600 original articles and reviews on influenza viruses, and in his eighties still travels the world addressing conferences and scientific gatherings. Professor Webster's latest book is Flu Hunter: Unlocking the Secrets of a Virus, which examines the deadly 1918 Spanish flu virus."

Flu Hunter: Unlocking the Secrets of a Virus Volume 25 ...

Flu Hunter: Unlocking the Secrets of a Virus offers an engaging and highly readable homage to the influenza virus by one of the world's preeminent influenza virologists, Dr. Rob Webster (). Although the book is nominally an autobiographical account of Webster's career, the central figure is often the influenza virus itself, with each of the 17 chapters focusing on an influenza-related event ...
