## **Book Review: The Grumpy Old Golfer's Putting Tips • GolfStinks**

The Grumpy Old Golfer's Putting Tips has 300 quips like those mentioned above. Author E.P. Murphy explains at the beginning that many of the tips will convey similar sentiments, but will be stated differently. This is done to address the varying personalities of those reading the book – a tip that connects with one person, may only connect ...

## **'The Grumpy Old Golfers Putting Tips' Book Review ...**

Author E.P Murphy reached out to us at Bunkers Paradise and asked if we would be interested in reviewing his book on Putting Tips. It didn't take long to make a decision because I loved the way it was put together. There are so many books out there written on how to do this in ... More

## **the grumpy old golfer's putting tips Archives • GolfStinks**

I've never been one to spend a ton of money on a putter. To spend \$100+ for something that, in essence, could be replaced by any flat-faced object with a handle never made much sense to me.
